

MEMBERSHIPS

Effective September - December 2010

Trico Centre Memberships

All under one roof, all priced comparable to a fitness membership.

Work out in our fitness centre, play in our large wave pool and waterslide facility, relax in our steam room or hot tub, go for a leisure skate in one of our arena's or pick up a game of basketball in our gym.

From children and students to adults, families and seniors, our recreational facility is designed to meet all of your active living needs.

Enjoy Our Newly Renovated Facility

Five years ago we added a brand new 13,500 square foot fitness centre packed with state of the art cardio and strength training equipment, a 3 lane running track and 2 fully equipped fitness studios hosting a huge selection of weekly drop-in group fitness classes. We recently completed our second renovation; adding a second arena, new wellness space, and a re-modeled front entry with improved access, renovated change rooms, a new family change room, additional parking and food services vendor Jugo Juice.

WELCOMING & PROFESSIONAL

We work hard to make you feel welcome. Our fitness centre offers new member orientations, on-site fitness monitors, personal trainers, nutritionists and a large variety of group fitness classes (drop in and pre-registered) taught by qualified, enthusiastic professionals. With 27 years of experience in the community, you'll enjoy "active living" in a friendly and supportive atmosphere at Trico Centre.

CONVENIENCE & VALUE

Located across from Southcentre Mall and the Anderson C-Train station, access to Trico Centre is convenient for everyone. The whole family can be active together or, you can drop the kids off for hockey or a swim and grab a quick workout on your own. If you have young children, you'll love the convenience of our on-site childcare facility as well as the discounts you'll receive on all registered children's programs. If you are looking for great rates you won't find better value anywhere in the city – especially if you live in one of the 36 neighbouring communities that qualify for our 20% partnership discounts. If you have a family, Trico Centre pricing cannot be beat, with all children under 18 FREE with family memberships. **Community Partners Information See Page 28**

INNOVATIVE & MOTIVATING

Zumba, TRX, Beat It, X-Bike, Super Spin, Yoga, Pilates, Belly Fit, Fusion, Step Aerobics, Pump it Up, Kickboxing, Boot Camps from Beginner to Hard-Core, Aqua Fitness and more... something for every age, schedule, interest and fitness level. Cutting edge training programs include personal training, team training, high performance training for individuals and teams, fitness assessments, body composition analysis, nutrition counseling and weight loss programs.

Fitness and Training Programs: See Pages 6-10
