

# TRICO CENTRE AND COMMUNITY PARTNERS

Trico Centre has a unique facility model that promotes active living within south Calgary in partnership with neighbouring community associations. We are currently partnered with 29 communities, giving each of our community partners a voice on the Trico Centre board and an active role at Trico Centre.

## Experience the new Trico Centre!

Support your community and purchase a community association membership and you will receive 20% off Trico Centre 1 month, 4 month, annual and continuous memberships. For your convenience, Trico Centre sells most community association memberships at Guest Services. Community association memberships typically cost between \$20 – \$30 for savings of up to \$192 on Trico Centre memberships.

### TRICO CENTER MEMBERSHIPS INCLUDE

Work out in our fitness center, play in our large wave pool and waterside facility, relax in our steam room or hot tub, go for a leisure skate in our arena or pick up a game of basketball in our gym - all under one roof.
